Mr. Adrian S. Fisher
Acting Director
Arms Control and Disarmament Agency
Washington, D. C.

Dear Adrian:

Your letter to me of 8 June in which you requested CIA participation in the task force has been considered. I am pleased to inform you that the Agency nominee for membership on the task force, which will consider ABM systems as part of the proposed strategic delivery vehicle freeze, is [redacted] of the Office of Scientific Intelligence. [redacted] doctorate and academic experience are in the field of nuclear physics. He has served as Chief of the Antihallistic Missiles Branch for the last three years and is well versed on the U. S. and Soviet ABM programs. I feel confident that he will be able to make a significant contribution to the task force.

I will look forward to receiving the task force report which you plan to have ready some time during August.

Sincerely,

This material contains information which is the property of the United States Government and is loaned to you for your official use only. It is not to be distributed outside your agency without the express written approval of the originating agency. Its use for other than official purposes is prohibited by law.
